Attention: Mr. Jim Weller, President

Subject: Letter of Appreciation/Commendation

Reference: Two (2) New Test Cells Project

Dear Mr. Weller,

Please accept my heart felt appreciation for the on time and within budget completion of the referenced Project.

We are most impressed by your expertise in successfully managing the significant scope changes involved and mitigated the schedule and cost exposure.

Your hard-work, tremendous cooperation, positive energy and professional attitude are truly remarkable and commended.

My project team enjoyed working with you and we are looking forward to your future support on many Siemens projects to come. Please feel free to have your prospective customers contact Mr. Edwin Wong, Sr. Contracts Specialist and Manager of the Project for professional reference.

Sincerely,

Martin Wentzlik
Chief Financial Officer
