IMRT Targeted Treatment

I-125 Prostate Implants

January 26, 2006

To Whom It May Concern:

With regard to Jim Weller and Weller Construction, Inc., I found that Jim did an excellent job with our vault construction this past year. He was on schedule and on budget. His work was exemplary. I would highly recommend Weller Construction, Inc.

If you have any further questions, please feel free to contact our office.

Sincerely,

Robert P. Lum M.D.
